

Using the Activities Block (Moodle)

Your instructor may use the Activities Block. It contains links to all the resources and/or activities within your course.

1. The Activities block content is grouped by the *type of activity*.

Example: To see all the Assignments for the course, click on the Assignments link.

2. By clicking on the link '**Assignment #1**' you would be taken to the Assignment. Any grades associated with the activity are also shown in this view.
