

Dashboard, My Courses and Home (Moodle)

Important

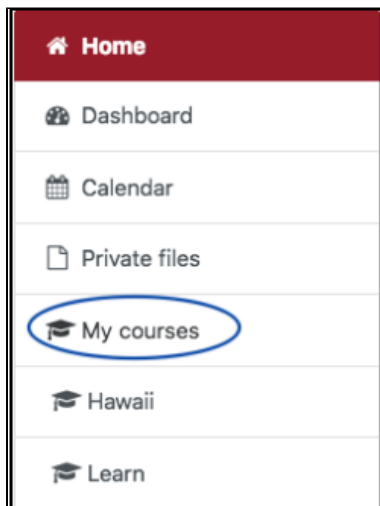

If you cannot see your course in your **My Courses** list or in your **Dashboard**, your instructor may have not turned it on yet. Please contact your instructor for assistance.

Home:

This link takes you back to the main site page that lists all the courses on the site.

My Courses:

This link lists all the courses on this site that you are currently enrolled in. It appears if your Navigation drawer is open.

Dashboard:

- This view also lists all the courses you are enrolled in. It also provides an overview of any activities that you should be aware of in the Timeline block.
- This view is customizable by clicking on the "Customize this page" button. For example, you can have the Private Files block appear here.
- Your calendar is also available from the Dashboard.
