

Logging-on to Unit4 (Finance/HR/Payroll)

Selkirk College employees now have single sign-on access to Unit4. This means that you will no longer need to have a separate password for Unit4.

1. Go to the log-in page (u4bw.selkirk.ca)

2. You will be automatically re-directed to your Microsoft login page as your Unit4. The first time you login, you will be asked to provide permission to securely connect. See example of the permissions screen below. Please click, "Yes, I agree" and you will then be redirected to Unit4.

UNIT4

u4bw|ca_skc_prod|sso Selkirk College ⓘ
would like your permission to:

Use your user identifier ☒

The application needs this to be able to securely identify you. If you do not grant this then you cannot use the application.

Use your profile information ☒

Your user profile information (first name, last name, etc.).

Yes, I agree

dmarkvardsen@selkirk.ca [Logout](#)

Each time after that, you will be automatically logged into Unit4 if you are already signed into Microsoft.

Please note that Unit4 access is for current college employees only. Employees should download and save any information for their records prior to their last day of work. If you require any information from Unit4 after you have completed your employment, please reach out to HR for assistance and copies of the documents that you require.

IF YOU HAVE ANY DIFFICULTIES WITH THE LOGIN, YOU CAN SUBMIT AN IT TICKET AT GO.SELKIRK.CA.
